Composite Master training course & hands-on

given by

ADRIANO TEIXEIRA

Dr Adriano graduated in Dentistry from the UNESP State University (Brazil). He also obtained the titles of Specialist and Master in Restorative Dentistry from the University of Sao Paulo (USP).

With more than 19 years of clinical experience in his practice, he has already given many hands-on courses to students and dentists which enhanced his skills not only as a trainer but also on developing intuitive educational material to improve the learning process.

Adriano has given presentations in national and international congresses and is now **part of the GC Europe N.V. team as a Technical & Training Manager since 2017** contributing to Campus training courses with all his expertise and teaching abilities in bringing the newest trends in Dentistry to all attendees from the GC Europe Campus.
